Introduction

Data Indian Register

Source : Department of Indian Affairs and Northern Development

Points to Note :

- (a) Percentages may not add to 100 due to rounding.
- (b) The actual on-reserve population of a First Nation will be greater than the Indian Register on-reserve population since both Band and non-Band members may be residing on reserve land.

Definitions :

- (a) Indian Register is a record of the individuals who are registered pursuant to the *Indian Act*.
- (b) General List contains the names of those individuals who are listed in the Indian Register but who are not registered with a First Nation.
- (c) On Reserve means Band members who are residing on a reserve of their own band or on a reserve of another Band.
- (d) On Crown Land means Band members residing on Crown land in a community administered by their own or another Band. It also includes Band members residing on Crown land in a community not administered by a specific Band.
- (e) Off Reserve means Band members who are residing neither on a reserve nor on Crown land.
